

# CONNECTING A TIMER TO THE APP USING AN APPLE IOS DEVICE

**VOLTEX®**  
TCBT1 and TCBT2  
Bluetooth Timers

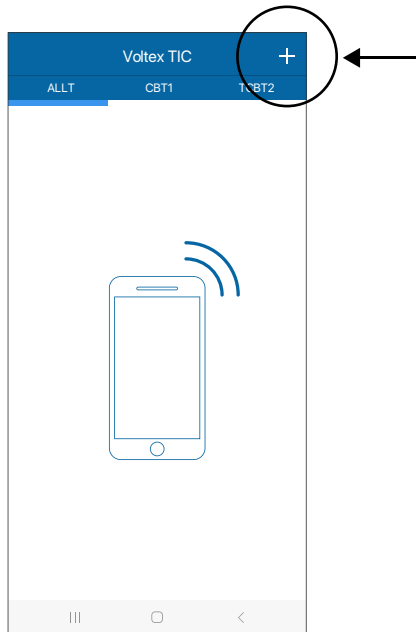

## 1

Install and power up the timer  
Download the **Voltex TIC** App from the Apple App Store and install it on your phone.

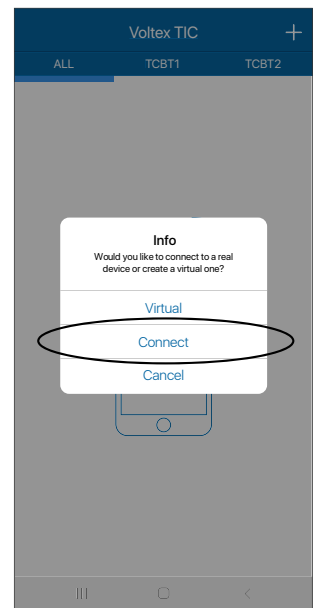

## 2

Open the App and tap the **+** button to add a Bluetooth Timer to the App

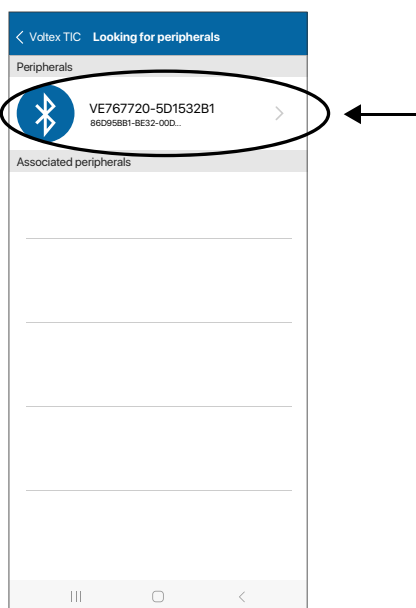

## 3

Tap **'connect'** to connect your phone to the Bluetooth Timer

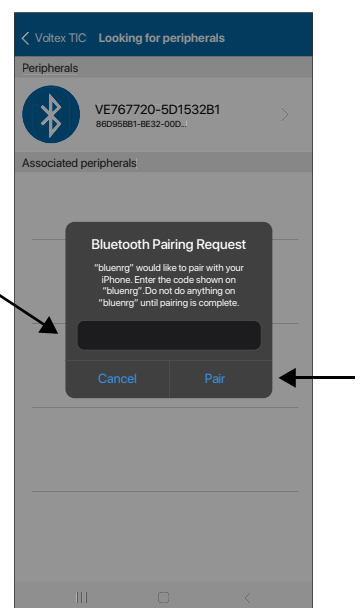

## 4

A nearby Bluetooth timer will appear in the device list. Tap on it.

## 5

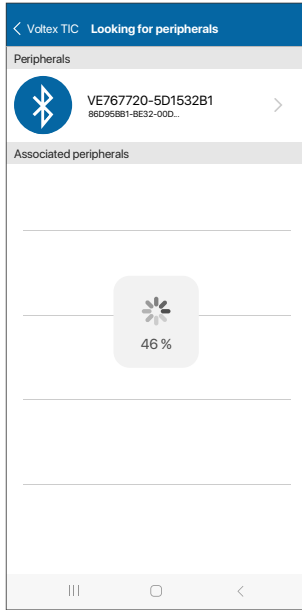

Enter PIN number **123456**, then tap **Pair**.

Note: If a message labelled **'Important'** appears, go to the last section on page 2 of this document

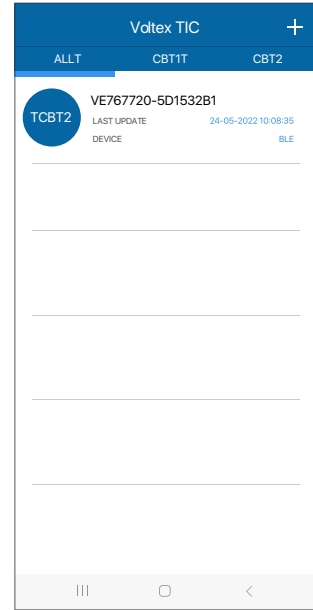

# 6

The App will now synchronise with the timer. This can take up to 30 seconds

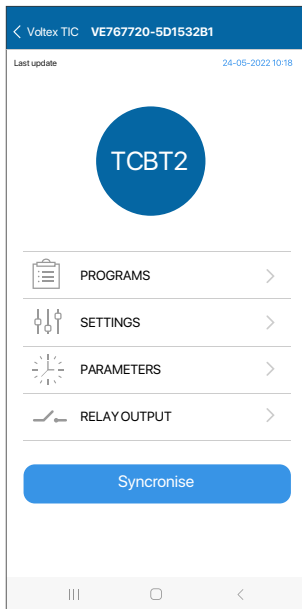

# 7

The App is now synchronised with the timer and the timer appears in the list. Tap on the timer.

# 8

Timer can now be setup from the App!

If you get the 'Important' message below after entering a PIN, the incorrect PIN has been entered by mistake. Tap OK, turn power to the timer off and back on again, then start the pairing process again.
