INSTALLATION INSTRUCTION

MAXIMUM LOAD RATING: **15KG**

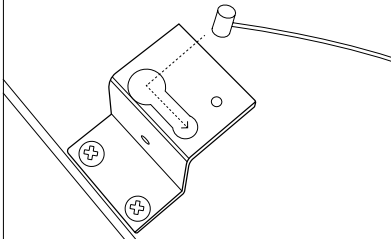

- 1** Fix the anchors into the ceiling.

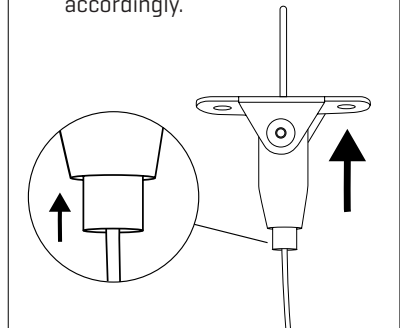

- 2** Fasten the ceiling mount bracket onto the ceiling, and thread cable through the hole.

- 3** Attach the brackets to the panel light using existing screws, and hang the panel to the ceiling using the cable.

- 4** Adjust the length of the cable accordingly.

- 5** When complete, connect the power supply.
