

### Technical Specifications:

Use	Indoor/Outdoor electrical installations including High UV exposure
Sizes OD	20mm, 25mm
Sizes ID	15.5mm, 20.8mm
Material	UPVC
Resistance to flame propagation	Non-flame propagating
Dielectric Strength	Electro-insulating Characteristics
Colour	Grey
Resistance to UV	Protection against UV radiation with minimal yellowing - 'T' rated
Rating	Medium Duty
Temperature Range	-10°C to +50°C

### Compliance:

AS/NZS 2053.1  
AS/NZS 2053.2
