Conformity Certification Services Pty Ltd Certificate of Approval/Conformity CCS-220662-EA		11-09-2022 (12-09-2022)
Conditions		
Outdoor use with any incandescent, halogen, ballasted fluorescent or LED lamps. To be installed by licensed professional.		

New Zealand Supplier Declaration of Conformity (NZSDoC)

Declaration

We Voltex Electrical Ltd declare under our sole responsibility that:

- We are satisfied the product mentioned above is in conformity with the relevant clauses of the above-mentioned standard(s) or other normative document(s) and have determined that it:
 - Is electrically safe and will continue to meet the relevant standards it has been tested to; and
 - Complies with the requirements of the relevant ACMA Standards made under the Radiocommunications Act 1992 and the Telecommunications Act 1997.
- All product supplied under this declaration will be identical to the product identified above and will not differ in terms of its electrical safety and performance characteristics and material composition.
- Cords, plugs and connectors or other level 3 components permanently attached to the equipment have current certification for Australia and New Zealand. Level 2 components permanently attached to the equipment have a current compliance folder.
- Where this product is sold under a different trade or brand name than that nominated on certification it is the same product cited on the certificate.
- The contents of this form are true and correct.

I am authorised to make this declaration on behalf of the Responsible Supplier.
